DETAILS OF FAMILIARIZATION PROGRAMMES IMPARTED TO INDEPENDENT DIRECTORS **(Pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)**

The Company has a familiarization programme for independent directors (copy available on the Company's website). The objective of the familiarization programme is to provide orientation and training to Independent Directors at the time of their joining so as to enable them to understand the Company, its operations, business, industry and environment in which it functions and the regulatory environment applicable to it. It also aims to update the Independent Directors on a continuing basis on any significant changes in any of the above, to enable them to be in a position to take well informed and timely decisions.

The Company periodically arranges Board Strategy discussions at any of the Company's plants, Research & Development Centre or off-site locations. The Directors get an opportunity to see the Company's operations and laboratories, interact with the Plant Head and scientists and review the sustainability aspects of the Plant. Business Heads also present their plans and priorities to the Board. This enables the Directors to gain insight on the operations of the Company and initiatives taken on safety, quality, environment issues, CSR, Sustainability, etc.

During the financial year 2016-17, the following familiarization programmes for Independent Directors were conducted:
