Dear Sir,

**Sub: Clarification on suspension of operations at Ankleshwar unit of the Company**  
**Ref.: Our letter dated 19<sup>th</sup> March, 2019**

We refer to your email sent today seeking clarification on the above referred subject. In this regard, we wish to clarify as under:

**1. Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity**

As informed vide our above referred letter, the Gujarat Pollution Control Board had, on 19<sup>th</sup> March, 2019, directed the Company to suspend the operations at one of its units in Ankleshwar, Gujarat due to flash fire caused during transfer operations. Further, it was also informed that there was no environmental or material impact to the plant due to the flash fire.

Since then the affected plant has undergone thorough investigation and has also put in place enhanced controls for avoiding re-occurrence of such an incident. The corrective actions / technical recommendations are being implemented and an external validation is underway.

The suspension of the operations at the Ankleshwar unit will not affect the financial performance of the Company at this stage as the production requirements for FY 2018-19 have already been met and enough inventory is in place to absorb the stoppage. Further, the scheduled annual shut down of 30 days which was planned from 1st April, 2019 has been brought forward to mitigate any financial impact.

**2. The actual amount of damage caused due to the natural calamity or other force majeure events**

There is no damage to the asset due to flash fire.

**3. Insurance amount claimed and realized by the listed entity for the loss/damage**

Since there is no damage to the asset, there is no insurance amount claimed by the Company

Thanking you,

Yours faithfully,  
For Rallis India Limited

  
Yash Sheth  
Company Secretary
