Dear Sir,

Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This is to inform you that the Company has received a letter today from the Gujarat Pollution Control Board directing the Company to suspend its operations at one of its units in Ankleshwar, Gujarat caused by a flash fire during transfer operations. While there was no environmental and material impact to the plant, unfortunately four persons were injured who are undergoing medical treatment. The Company is taking appropriate steps to restore the said unit's operations at the earliest.

The annual shut down of the unit is also being advanced from 1st April, 2019 as earlier planned to mitigate any financial impact.

Thanking you,

**Yours faithfully,
For Rallis India Limited**
